Packable employee

For over 30 years, global brands have been choosing us to provide quality packaging, fulfillment and assembly services.

Our state of the art equipment and highly trained staff offer a complete service from labelling to assembling, packaging to storage, delivering an end product ready for our customers.

Working with Packable is more than just commercially viable, it's a chance for your business to make a difference.

As an Australian Disability Enterprise (ADE), New Horizons provides meaningful employment to people with disability.

Our specialty services

We have worked hard to build a reputation of matching high demand with quick, quality and reliable service.

We specialise in:

- ▶ Shrink wrapping
- ▶ Product labelling and relabelling
- ▶ Unpacking and repacking
- ▶ Barcoding
- ▶ Product assembly, reassembly and rectification
- ▶ Storage solution for the short and long term

Our purpose built factory in North Ryde can receive trailer trucks and container deliveries.

Packed with purpose

Our employees at Packable are well trained and committed to delivering high quality results for our customers. We have a very enthusiastic workforce who love turning up for work each day. Many are long term employees with over 15 years on the production floor. They enjoy having a purpose, structure to their day, and being part of a busy team.

Our aim is to continue to grow our business so we can offer more people with disabilities meaningful employment and training in a supported environment.
